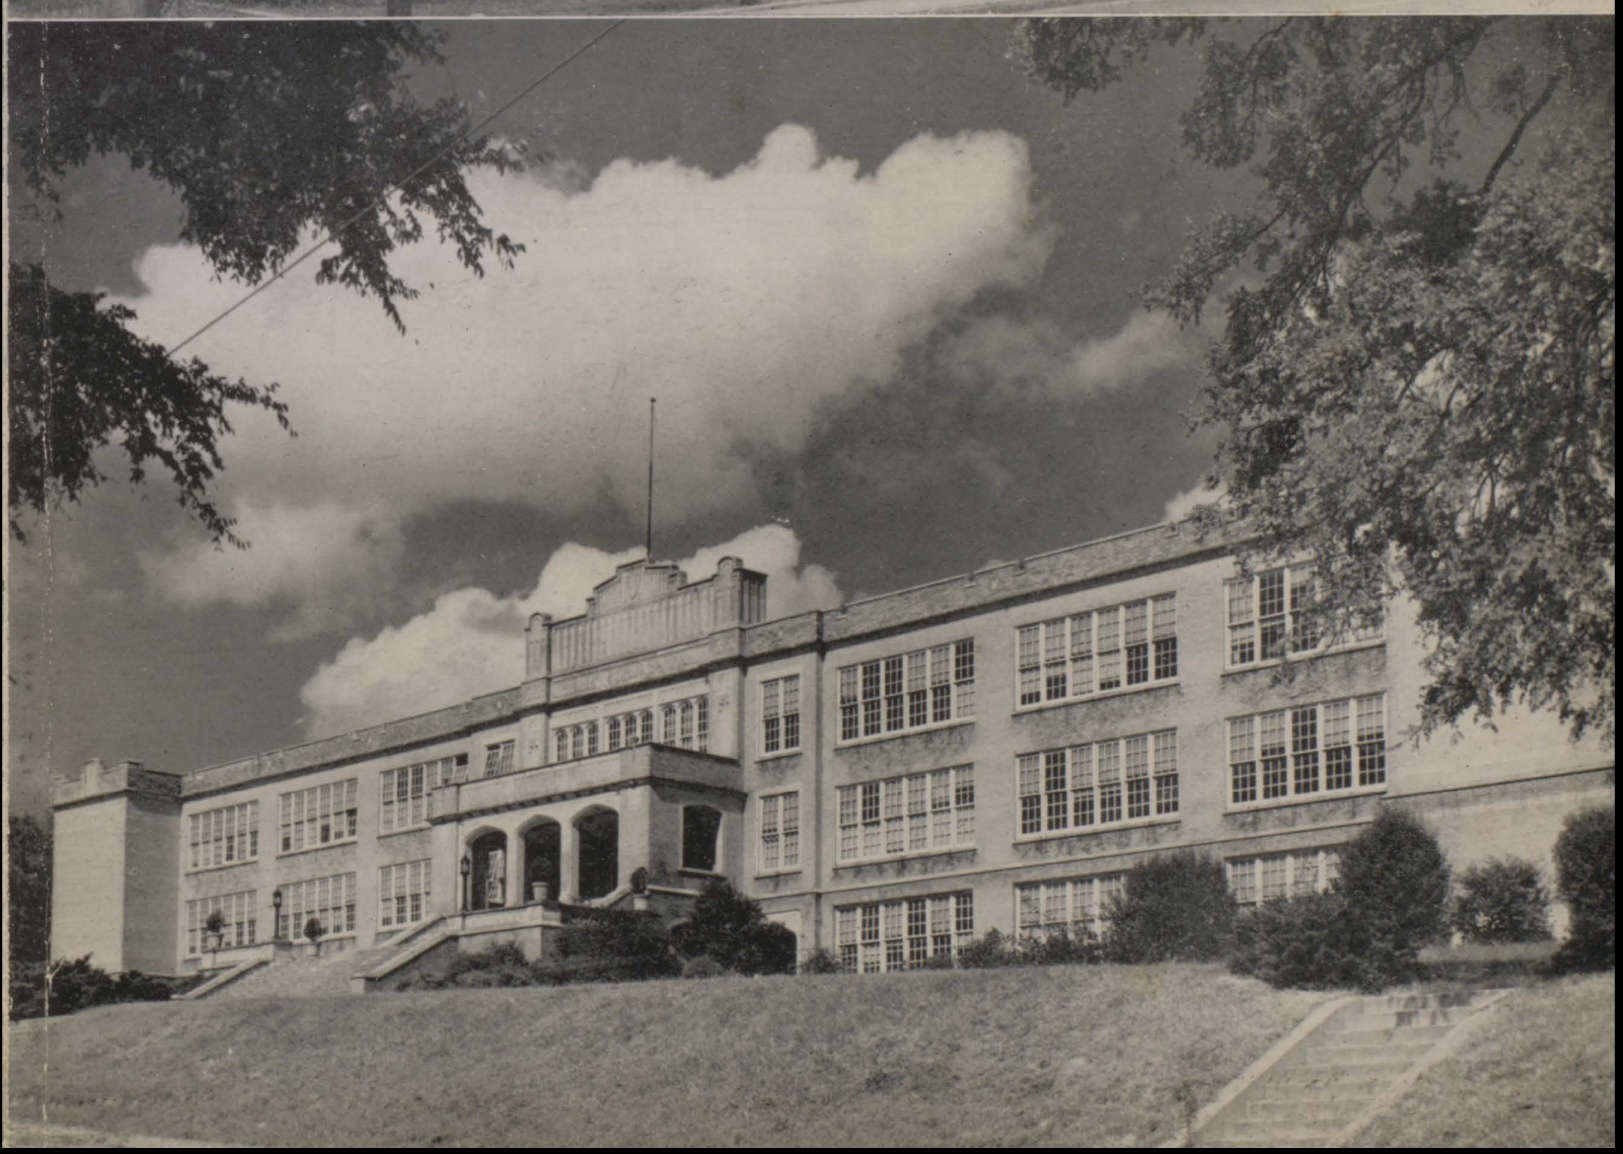
the ANNUAL 1950

LANIER



It has been said that life without music would be a mistake, and we on the annual staff are inclined to believe this. So inclined, in fact, that we have made this the theme of your 1950 annual. Every school day memory is connected in some way with a song—from the "8:30" class in the morning when the haunting melody of "My Foolish Heart" makes you shiver with the excitement of your present romance, until the closing hour of 2:30 when you think of the words "Day is Done."

Memories of all the delightful events of the school year are brought to mind by such melodies as "Glory, Glory to Lanier," the favorite football song, "Red and White," the Miller Alma Mater, "Jingle Bells" at Christmas, "Lazy River" in the spring, "America the Beautiful" for the patriotic days, and "God Be With Us Till We Meet Again" at the close of school in June.

Life is truly a song and may this book be cherished by you, for in it we have tried to capture for you by words, tunes, and pictures —memories, places, friends, events and songs—your life in 1950.

MR. WALLACE MILLER

The Board of Education

Dr. Mark Smith, Superintendent of Bibb County Schools, is an outstanding educator. He is a well-known figure, not only in the field of education, but also in civic affairs.

Mr. Wallace Miller is President of the Bibb County Board of Education. Although he is one of Macon's busiest lawyers, he has devoted much of his time to the duties of president of the Board.

In memory of Mr. Alfred R. Willingham, who served with tireless effort on the Board of Education from 1916 to 1949.

BOARD OF EDUCATION

The members of the Board of Education, well-known civic leaders, have, by their high ideals, ability, and determined effort, made the Bibb County School system outstanding. Mr. Lee M. Happ and Mr. Joseph N. Neel have given freely of their time since 1910 and 1911 respectively. Other members later elected are: Mr. Walter T. Johnson, 1918; Mr. Wallace Miller, 1928; Mr. J. Clay Murphey, 1929; Mr. J. D. Crump, 1933; Dr. H. G. Weaver, 1939; Mr. Andrew J. Lyndon, 1943; Mr. McKibben Lane, 1946; Mr. William P. Simmons, 1946; and Mr. George Rankin, who was elected this year by the members to serve the unexpired term of Mr. Alfred R. Willingham. The ex-officio members are Ordinary of Bibb County, Walter Stevens, who has been on the Board since 1927, Mayor Lewis B. Wilson, serving since 1948, and Judge Mallory C. Atkinson, who has served since 1943. We are indeed grateful to the members of the Bibb County Board of Education for the excellent work they have done during these years.

The Miller-Lanier Annual is published by the Senior Class of Miller and Lanier, but records the life and activities of not only these two schools but the two junior high schools as well.

In early October student and faculty representatives meet to confer with the engraver and the printer on such matters as theme, type of cover, art work, etc. Later in the Fall, pictures are made and copy goes to the printer in April.

Finally, in late May, the Annual comes off the press! It is the result of many months of diligent and painstaking effort. The 1950 Annual Staff trusts that this yearbook fulfills your highest expectation.

Alpha Kappa Omega

Alpha Kappa Omega, better known as A.K.O., is one of the most widely known fraternities at Lanier. Losing out on the Inter-Frat football, they staged a comeback and captured the Inter-Frat basketball championship crown. A cowboy dance and many other social functions were added to make this one of the most successful and enjoyable years of A.K.O.

HARRY LAMON, JR.
Colonel
REGIMENTAL COMMANDER

The ROTC of today, which is based upon the provisions of the National Defense Act of 1920, has been expanded to include thousands of schools throughout the country: high schools, civil colleges, universities, military colleges, and junior colleges. It is an important component of our present National Security Program. Members of the ROTC undergo military training to fit themselves to fill positions as commissioned and non-commissioned officers in the Organized Reserve Corps, in the National Guard, and, in some instances, for direct appointment into the Regular Army.

It has been an honor and a privilege to have served as Cadet Colonel at the Lanier ROTC Regiment during the past year. I deeply appreciate the fine cooperation given me by the members of the corps.

Gratefully yours,

If You Belong to One of These Groups:

1. *High School Students* about to be graduated
2. *A teacher needing further professional training*
3. *Future Religious Workers*

THIS INFORMATION *may have important value for you.*

1. The Summer Quarter, June 12-August 20, will offer a full schedule of standard courses for entering Freshmen, who thus may begin without loss of time from their college career.

2. Both pre-service and in-service programs for elementary and secondary teachers and principals now offered every quarter in an expanded teacher-training program. Special Workshop June 12-July 14. Child guidance clinic.

3. Mercer offers, in the Roberts School of Christianity, collegiate training for ministers and training for non-ministerial religions leadership in such types of service as Church Secretary, Education Director, and Young People's Leader.

4. The nationally accredited Law School has built up a competent faculty and is broadening its curriculum. Registration has more than quadrupled since it resumed operation in September, 1945.

5. New departments added to the Liberal Arts College in recent years provide opportunities for study in the fields of Drama, Music, Painting, and Sculpture.

For More Than A Century

Mercer has been a good place to go for an education. In physical equipment—dormitories, gymnasium, laboratories, libraries; in financial status; in faculty and staff; in outlook and spirit, Mercer is better off today than ever before.
